JHTR HORSE TRIVIA ANSWERS

1. Who is JHTR's oldest horse?

- ☐ a. Charlie Brown ☐ c. Captain
☒ b. Dakota ☐ d. Beau

Dakota is JHTR's oldest horse! Horses typically live to 30 years old and our dear Dakota is 26.

2. Who is JHTR's tallest horse?

- ☐ a. Two Socks ☐ c. Charlie Brown
☐ b. Rodger ☒ d. Josh

Josh is by far JHTR's tallest horse! He is 17.2 hh (hands). A hand is 4 inches so Josh's back is as tall as someone who is 5'8"!

3. Our horse Buckwheat is an American Quarter Horse. Do you know how the American Quarter Horse got its name?

- ☒ a. Being the fastest horse to run a quarter mile
☐ b. Being the same color as a quarter
☐ c. Weighing a quarter of a ton

The American Quarter Horse got its name from being the fastest horse to run a quarter mile! That makes them very good at working on ranches and chasing down cattle.

4. Charlie Brown has a special color pattern. Do you know what this is called?

- ☒ a. Paint ☐ c. Dappled
☐ b. Spotted ☐ d. Fleabitten

Charlie Brown is a registered American Paint Horse. Paint horses come in a variety of colors and patterns but Charlie Brown is brown and white paint. His specific color pattern is called a tobiano paint.

5. Which one of our horses has a tattoo that indicates he used to be a racehorse?

- ☐ a. Taco ☒ c. Beau
☐ b. Buckwheat ☐ d. Henry

Beau is a Thoroughbred and used to compete on the racetrack! Horses like Beau when he was a youngster, run the Kentucky Derby every Spring. All Thoroughbreds get a tattoo inside their lip when they are young with a number to identify them! Although Beau does not like to show off his tattoo!

6. What do the horses at JHTR need to eat and drink everyday?

Our Equine Manager Emily makes sure each horse has plenty of water to drink all the time. The horses also get hay or grass everyday and some of our horses get grain for some extra nutrients. Typically horses need to eat 15 to 20 pounds of hay or grass every single day! That's a lot of food!

7. When you ride a horse at JHTR in a saddle what do your feet go in?

- ☐ a. Foot holders ☒ b. Stirrups ☐ c. Reins ☐ d. Bridle

The part of the saddle that your foot goes in is called a stirrup! At JHTR our stirrups are made of metal with a rubber band on one side so your foot can never get caught in our stirrups! These are called breakaway stirrups and they keep our riders safe!

8. One of the horses in JHTR's herd is a Halfinger. Haflingers are always a golden color with a light mane and tail. Which horse at JHTR do you think is a Halfinger?

- ☒ a. Henry ☐ c. Buckwheat
☐ b. Josh ☐ d. Taco

It's Henry! Henry is a Halfinger and has the typical coloration of the breed. Haflingers are a very stout and versatile breed! They are great horses to ride but can also pull a cart or plow a field!

9. Our horse Two Socks does not have very good teeth. If you have noticed his nose is always dirty and sometimes green. Why do you think this is?

- ☐ a. Dirt ☐ c. Grass
☒ b. Hay "soup" ☐ d. Paint

Two Socks gets a special meal every morning and night because he has trouble chewing! Because he cannot eat regular hay, he gets a hay "soup" that is easier for him to eat! But it always makes his nose dirty because he is a messy eater!

10. If you walk by Captain's stall and he lifts his head and puts his ears forward what do you think he is feeling?

- ☐ a. Anger ☒ c. Happy and curious
☐ b. Scared ☐ d. Tired

Captain is excited to see you! When horses put their ears forward they are listening, looking, and curious about you! That is the horse version of a smile so make sure you smile back!
