GROOMING

ACRONYM POEM EXAMPLE

DIRECTIONS: Write an acronym poem about grooming your favorite horse. Begin each line with a word that starts with the letter on that line! Have fun and be creative.

Grooming is fun for both my horse and me

Rodger likes to look good, you see

On his left side I use my curry comb

Only then will he let out a happy groan

Mane and tail get detangled and shiny

Iuse a body brush to make him less grimy

Never forget to use a hoof pick

Grooming a horse is both fun and quick!
