

HORSE LEG MARKINGS

Many horses have unique markings on their legs. These markings are usually white, but for this activity you should pick your favorite color, and create all of the leg markings listed below!

#1 Draw a Coronet Marking

A thin band above the hoof.

#2 Draw a Pastern Marking

A thick band that extends from the hoof to below the fetlock.

#3 Draw a Half Stocking

A marking that extends from the hoof to halfway up the cannon bone.

#4 Draw a Sock

A marking that extends from the hoof one third of the way up to the cannon bone.

#5 Draw a Heel Marking

A small marking just above the back of the hoof.

#6 Draw a Full Stocking

A marking that extends to the knee or above the knee.
