

MAKE YOUR OWN KENTUCKY DERBY HAT!

One of the most iconic parts of the Kentucky Derby is the fashion! It's tradition to wear big, fancy hats on Derby Day. Make your own at home and wear it when you watch the Kentucky Derby on September 5th!

Materials:

- Paper Bowl
- Paper Plate
- Ribbon
- Glue/Tape
- Scissors/Hole Punch
- Decorations of Your Choice! (Fake flowers, Glitter, Paint, Bows, Etc.)

Directions:

1. First, glue or tape the open side of a paper bowl to the backside of a paper plate.
2. Then, Punch a hole on both sides of the plate and string a ribbon through one hole, across the top of the bowl, and through the opposite hole. You'll wear the ribbon under your chin to help your hat stay in place!
