

# HORSE AGE MATCHING WORKSHEET

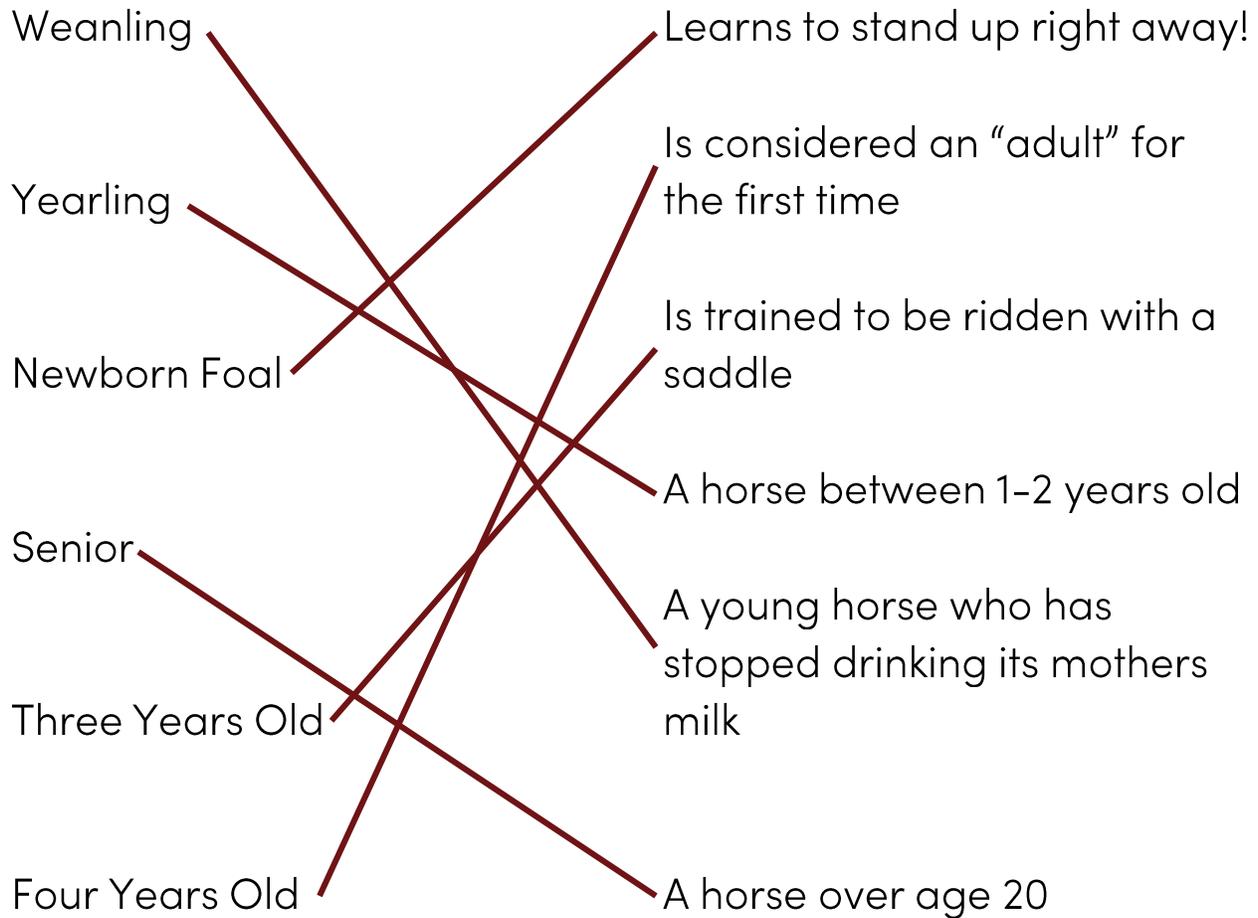

Match the columns of words by drawing a line between the age of the horse and its characteristics!

Weanling	Learns to stand up right away!
Yearling	Is considered an “adult” for the first time
Newborn Foal	Is trained to be ridden with a saddle
Senior	A horse between 1-2 years old
Three Years Old	A young horse who has stopped drinking its mothers milk
Four Years Old	A horse over age 20

**EXTRA CREDIT:** What is Galvayne’s Groove?

# HORSE AGE MATCHING WORKSHEET

## ANSWER KEY

### **EXTRA CREDIT:** What is Galvayne's Groove?

Galvayne's Groove is a dark groove on some of the upper teeth of a horse that helps to estimate the horse's age!
