

THE THOROUGHBRED

The Thoroughbred is a horse breed best known for its use in horse racing although they can do many different types of riding including jumping, fox hunting, polo and therapeutic riding. Thoroughbreds are known for their agility, speed, and spirit. They come in all different colors and sizes! JHTR's horse Beau is a thoroughbred who once raced on the racetrack in his younger days. He is so dark brown that he usually looks black! Nowadays Beau enjoys to stick to a slower pace and help participants learn to ride at JHTR.
